Pst. Hero Udenyi

Welcome to the month of April, and a happy Easter to all our teaming readers! It is our prayer that the resurrection power that raised Jesus Christ from the dead will overwhelm every challenging circumstance in your lives.

In the last quarter, we explored the idea of Greatness quite extensively in our editions. We're shifting gears slightly for the next quarter and in our subsequent editions the focus will be on the Supernatural. As always, the articles are designed for readers across the board. There is something for everyone and we encourage you to "dig in".

In this edition, the contributors have written excellent articles that make an exciting read. The pieces touch on what the supernatural means, testimonies of supernatural interventions, and much more.

It is with great pleasure that we invite you to sit back, relax, take some time, and enjoy reading the contributions in this beautiful April edition of the Prophetic Voice.

God richly bless you.

THE SUPERNATURAL

“We also gain access to uncommon favour through the supernatural. This favour of God is timeless and allows us to access all the blessings and promises that have been released upon our lives.”

Openness To The Supernatural

... If God lives in heaven and Jesus Christ does what He sees God doing, it means that Jesus Christ was open to heaven, the supernatural abode of God, while he was living physically on earth...

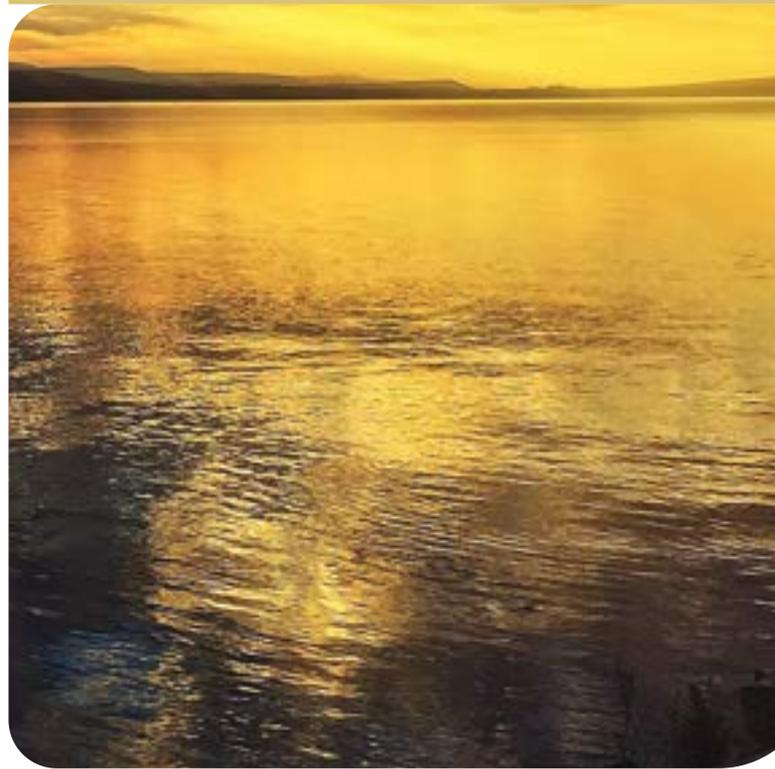

“There is a reality that exists beyond the ordinary. It is called the supernatural, and it controls the ordinary.” - Prophet Richard Amoaye.

“There are more things in Heaven and Earth than are dreamt of in your philosophy.” - William Shakespeare, Hamlet.

“And I knew such a man, whether in the body, or out of the body, I cannot tell: God knoweth; How that he was caught up into paradise, and heard unspeakable words, which it is not lawful for a man to utter” - (2 Corinthians 12:3) – Paul the Apostle.

It has been explained in the previous editions of the magazine that humans were created to be inter-dimensional. This means that humans can interact with other dimensions of reality beyond the physical dimension of present existence. For many years humans have been amazed by the idea that there must be a reality out there that has not been explored. Science has wondered and continued to wonder if there is another civilisation beyond the present human society. Without a shadow of a doubt, as Christians, we know not only just by faith but by the spirit of God that there is a vast

expanses of reality beyond our little world and that God has positioned us to be able to access all living realities; both the ones that can be seen and the ones that cannot be seen with an ordinary sense of sight. Therefore, humans are composed of the spirit, soul, and body. This composition positions humans for inter-dimensional interaction. Unfortunately, humans have invested so much in the body and the soul to the advantage of existence upon the face of the earth, but the spirit of man is grossly under-developed; therefore, he has not and cannot reach the full potential of his being, an interdimensional creature.

The Christian life is a spiritual journey that opens us up to supernatural life. As Christians, we follow Jesus Christ, and Jesus said in John 5:19, "Verily, verily, I say unto you, the Son can do nothing of himself, but what he seeth the Father do: for what things soever he doeth, these also doeth the Son likewise". This same Jesus taught that the father he refers to lives in heaven, in the celestial. If God lives in heaven and Jesus Christ does what He sees God doing, it means that Jesus Christ was open to heaven, the supernatural abode of God, while he was living physically on earth.

Prophet Richard Amoaye would say whatever is true of Christ is true of us Christians who are born again by His Spirit. Prophet Isaiah also said, "Behold, I and the children whom the LORD hath given me are for signs and wonders

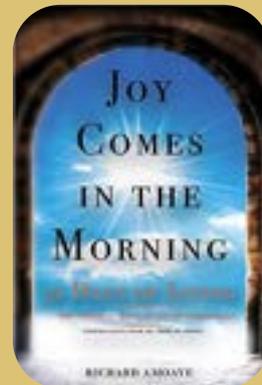

in Israel from the LORD of hosts, which dwelleth in mount Zion" (Isaiah 8:18).

Jesus was praying for his followers before the final moments of his physical earthly life and said, "I am not asking that You take them out of the world, but that You keep them from the evil one. They are not of the world just as I am not of the world" (John 17:16).

Joy Comes In The Morning

By Prophet Richard Amoaye

This devotional speaks to finding substantive joy from living an intentional life that is centre around purpose and the fulfilment of your assignment.

In arguably the most difficult season where the author lost both parents, he still found love peace and joy. It was a joy that came from a place where only God can be, a joy that is deeply rooted in a relationship with Christ. An unchanging and unwavering joy.

Openness To The Supernatural...

Jesus had been doing great leading up to the point in Matthew 26. He was preaching and showing the love of God through healing the sick, raising the dead and casting out devils.

A matter shall be established in the mouth of two or three witnesses.

Therefore, the truth is that we are meant to live the supernatural life in the world. A life full of signs and wonders daily is only possible to them that believe and relate to it with openness.

What is Openness?

The quality or state of being relatively free from obstruction or relatively unoccupied.

The quality or state of being unrestricted or not able to be restricted.

The quality or state of being public or unconcealed.

The quality or state of being accessible or available.

The quality of being receptive to new ideas, opinions, or arguments.

An unreserved, candid, or frank

manner.

Subject to the preceding, openness to the supernatural then means:

To lay aside the little weights that easily obstruct (Hebrews 12:1). It connotes absoluteness in attention and disposition, freedom from every encumbrance. Openness to the supernatural demands unrestricted rights to the spirit of the supernatural to manifest through our vessels at any time by any means, anywhere and for any reason (Romans 12:1). It means nothing must be hidden or concealed. It means no pretences; just come as you are. The supernatural does not demand perfection but demands that one be honest and unconcealed (Titus 1:16). The supernatural abhors makeup but deals with plain open people. Openness to the supernatural also means availability. One must be accessible and available. You consistently be present in the atmosphere of the supernatural.

Prophet Amoaye will always say as a reminder that the atmosphere for the supernatural is His presence; therefore, practise the presence of God by His spirit.

Finally, openness to the supernatural demands frankness, truthfulness, and unreserved intentions. The honesty of the heart is one thing that attracts the supernatural to any life. But the LORD said to Samuel, "Do not look at his appearance or his physical stature, because I have refused him. For the LORD does not see as man sees; for man looks at the

“...openness to the supernatural demands frankness, truthfulness, and unreserved intentions. The honesty of the heart is one thing that attracts the supernatural to any life...”

outward appearance, but the LORD looks at the heart” (1 Samuel 16:7).

Prophet Richard Amoaye laid out a progression into the supernatural in one of his ministrations on the supernatural. He referred to the story of Nicodemus and Jesus Christ as recorded in (John 3:1-15). In the story, Jesus Christ told Nicodemus what to do to stay open to the supernatural (John 3:3), “Truly, truly, I say to you, unless one is born again, he cannot see the kingdom of God.” Therefore, to open to the supernatural, the Prophet opined three steps:

1. **Be born again.** (John 3:16). When a person is born again, that person has been born of the Holy Spirit of God, so the person becomes a spirit essentially, as

creates the appetite for the things of the spirit. This leaves an opening and a craving for the things of the spirit. This allows one to grow in the things of the spirit, i.e., the supernatural. Spiritual growth is indicated by how much one has died to the works of the flesh, which impact the result the life of the spirit is producing (Galatian 5:16).

2. **See.** Once a man is born again, the spirit opens his eyes of understanding to begin to see the things of the spirit, which is the realm of the supernatural (Ephesians 1:18). Once a person continues to see with the mind's eyes, he is open to the supernatural realm.

3. **Enter.** To enter, in this case, means to get involved. Those involved in the means of grace are always under the supernatural atmosphere; they are opened to perpetual supernatural encounters.

The keys to the various manifestations of the supernatural are faith and actions (James 2:14 – 26).

What are the Benefits of the Supernatural?

1. **Access to ultimate power.** God is the source of all powers and, as taught earlier, God dwells in the supernatural. Therefore, once a person is opened to the supernatural, the same is exposed to the ultimate power of God through the Holy Spirit (John 14:9 – 14). According to the prophet, access is only by the Father through His son Jesus Christ.

2. **Access to knowledge and understanding and wisdom.** The prophet explained that openness to the supernatural grants access to sacred knowledge and wisdom (Daniel 1:17). Jesus said to Peter, “flesh and

blood have not revealed this to you but the father who is in heaven" (Matthew 16:17). The supernatural holds the possibilities for boundless revelations.

3. Access to uncommon favour. The children of Israel were granted unusual favour before the Egyptians, and they left Egypt as wealthy freedmen and women because Prophet Moses was able to access the supernatural and obtain instructions for them based on God's promises to Abraham (Genesis 12).

4. Access to an uncommon boldness and strength. Moses, Joshua, Caleb, and Samson are a few examples of

OPENNESS TO THE **SUPERNATURAL**

those who accessed supernatural boldness and strength by the spirit of the lord (Deuteronomy 34:7, Joshua 14:11, Judges 14:5). The righteous are as bold as a lion (Proverbs 28:1).

5. Access to a lifestyle of signs and wonders. You must not be satisfied with ordinary life as the Christian experience is a life of signs and wonders (Acts 2:43, Acts 14:3, Acts 15:12). The realm of the supernatural is accessible to all the children of God not by power nor by might but by the spirit of the lord (Zachariah 4:6).

6. Access to divine health. When a person is opened to the supernatural God gives the person immunity

against every disease (Deuteronomy 7:15). You become one with the lord and eat from His table. You cannot eat from the table of the lord and be sick if you eat with revelation (1Corinthians 11:29-30).

7. Access to divine provision. Openness to the supernatural secures our provision (Nehemiah 9:15).

The world is reaching for the supernatural via science, mystic books, movies, and occultic practices; and yet refused to open to the true source of the supernatural. While it is true that we must be open to the supernatural, it must be through Jesus Christ for the full benefits to manifest. The supernatural according to Prophet Richard Amoaye, should be natural to us as Christians, daily.

Indeed, there is a solution to all that has plagued our world today if we can only be opened to the supernatural and through the right source. Elijah was a man of passion as we are, yet he could control the weather (1 Kings 17:1). Elisha found a cure for an epidemic within a few minutes. Moses fed over six hundred thousand people for forty years. Joshua brought down the strongest and most fortified nation in his time in seven days. Elijah and Philip travelled by a supernatural craft faster than any supersonic aircraft of modern times. One thing common with all these people was their openness to the supernatural.

To access the supernatural, you need to desire it, be open to it, pray for it, believe it and you shall have it (Mark 11:24) because the whole of creation waits eagerly for the manifestations of the supernatural (Romans 8:18).

The following morning, Prophet Richard Amoaye's prophecy grew legs and started working in my life. God elevated my position from an allocator to become a warehouse/XDOCK trainee manager. I would also like to highlight that the company promised me in my initial interview, a similar managerial role prior to starting, but this did not eventuate. In November 2018, I was officially handed the role as warehouse/X-Dock manager, and signed the contract with a higher salary. As part of my contract, it specified that I had 6 months to turn things around in the warehouse. If I am to succeed, I will be getting a raise in April 2019. If not, I would be demoted back to an allocator. In January 2019, we became members of GPM and in the same month, the company

My family and I were introduced to Gods Power Ministries, during the power conference held back in July 2018, by a family member Pastor Waita Fata, who flew in from Christchurch New Zealand, to take part in this awesome encounter. He is also the grandson of Prophet Richard Amoaye. Upon arrival to GPM, the atmosphere was glorious, powerful and indescribable. I was amazed by the word, teachings, and seeing people with a great desire and hunger for God.

granted me a pay rise four months early. Our God is so faithful in Isaiah 41: 10 It says "so do not fear, for I am with you, do not be dismayed, for I am your God. I will strengthen you and help you with my righteous right hand".

SECOND PART OF MY TESTIMONY.

I have been suffering with heart problem for a very long time. Spending a lot of time through doctor's appointments, operations, specialist, scans, deferent types of medicines etc., in order to cure this sickness. The stress I put my family through due to this illness was horrendous. This issue and illness is life threatening and it was taking its toll and my body could not handle the pain. I felt guilty seeing my kids crying for their daddy when I am stuck in hospital. I attended one of the Friday services some time after the power Conference in 2018.

I felt so revived spiritually that it forced me to make time to be there on Fridays. It also became a burning desire that I had to be in Gods Power Ministries not only in the midst of the saints in God's presence, but to be under the guidance in prophecy from the Man of God Prophet Richard Amoaye.

One Friday night during service, the man of God called me to the front and said that the devil had plans to kill me as a child. When he said this, I was gobsmacked, as I had not told him or anyone but my mum and dad. When I was a little child whilst sleeping in the living room of my mother and father's house, I felt like a heavyweight was sitting on me trying to kill me. I could not call out to my mother and father, as I was unable to open my mouth. It was as if someone sewn my mouth shut. I could not even move and I felt paralyzed. All I could do was cry with no sound as tears rolled down my face. Lying there as if I was dead I called out the name of Jesus in my head as I could not move my lips. I kept calling out the name of Jesus in my head. As I was calling out the name Jesus, I could feel my lips move and my mouth slowly opening up. I kept going until my mouth opened and I shouted out Jesus! I told my mum and dad, and thanked them for their prayers and teaching us kids to call out to Jesus when we are in need. I also had not mentioned to him that I had previously the year

before had been in and out of hospital due to Heart Problems.

In addition, yes, our mighty God revealed this to the man of God and it was part of the prophecy. Papa said that the devil had plans to kill me in terms of a heart disease and heart problems. He said I uproot what the Devil has planned for you! Prophet Richard continued to declare that the works of the enemy would be destroyed in the Might name of Jesus! It is established, May you be well. When he said this, I immediately felt the presence of God over me as the plans of the devil were getting unveiled and brought to light. The amazing part is that I felt well. I never knew that I was going to land in the hospital due to a heart problem like the prophecy foretold. I was in the hospital for two weeks and whilst I was in hospital, the results came in and the findings showed that the walls of my heart were so thick it was only operating at 13%. The doctor prescribed a lot of strong medication and stated that I had to take them for a month. He also mentioned after that month on these heavy meds, I had to go back to see the specialist to get consultation on getting a pacemaker.

After getting out of hospital Papa prophesied again and prayed over me. He said that the healing virtue of God was upon me. He also asked me to wear bright colors as God was setting a brighter future. He said I would not

die before my time. In addition, to be ready as I would be testifying of his goodness.

When I went back to talk to the specialist at the time the doctor, the doctor sat me down and said Mr. Oloitoa you will not be having the surgery, your heart is now at pumping at 45%, in fact, you will not need some of the medication you are taking. I will now reduce some of the medication and continue to monitor your progress as your heart strengthens. When I came to church that same Friday Papa prophesied again. This time he said would be writing a book on healthy living whilst he was in the realm of the prophetic. God was showing him my next steps in the area of helping people through counseling. Bringing families together and helping those with mental & problematic challenging issues. I could not stop myself and I had to share what God had done for me that day at the doctors appointment.

Family and friend, if the Loving God that we serve could do this for a sinner like me, just imagine what doors he will open for you. In the Year I would like to thank God for the opportunities and doors he has opened in my life. A special thanks to my Parents for their prayers. Pastor Waita Fata, for introducing us to Gods Power Ministries. Last but never the least My Papa, Man of God Prophet Richard Amaoye. for the powerful gifts God has blessed him with and giving me the guidelines God has set for me. He used Prophecy to unveil things we cannot see that are holding us back in life. May our faithful God bless you richly and mightily. May he continue to give you the strength to keep doing what you do. For your love and devotion for God is like a magnet that attracts people to you.

If you are reading this, may you be richly blessed. In addition, may God order your steps into your own testimony in the mighty name of Jesus Christ.

The Supernatural

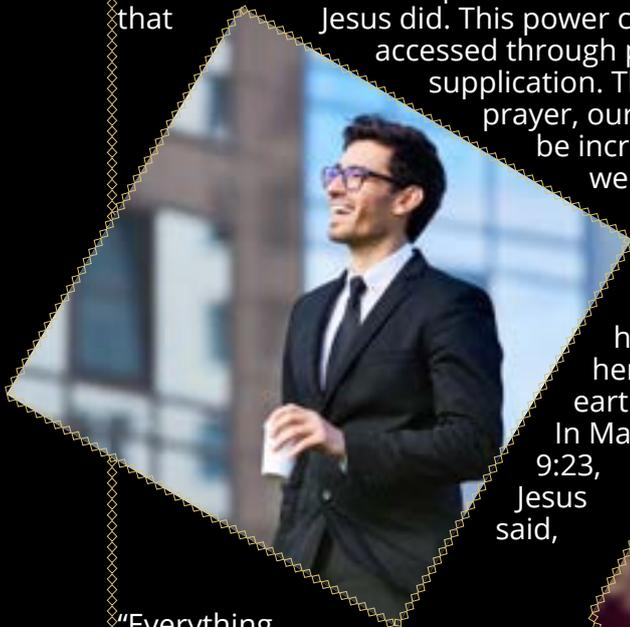

By Tanaka Jokomo

What is the supernatural? To me, God is the supernatural. God the Father, the Creator of all, He who dwells in eternity is the supernatural. His being and everything associated with him, like the heavens and his acts are the supernatural. If God is the supernatural, then how do we access the supernatural?

John 14:9-14, ⁹ Jesus answered: "Don't you know me, Philip, even after I have been among you such a long time? Anyone who has seen me has seen the Father. How can you say, 'Show us the Father'? ¹⁰ Don't you believe that I am in the Father, and that the Father is in me? The words I say to you I do not speak on my own authority. Rather, it is the Father, living in me, who is doing his work. ¹¹ Believe me when I say that I am in the Father and the Father is in me; or at least believe on the evidence of the works themselves. ¹² Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. ¹³ And I will do whatever you ask in my name, so that the Father may be glorified in the Son. ¹⁴ You may ask me for anything in my name, and I will do it."

Jesus is the way, the truth and the light and the simple answer to the question of how we can access the supernatural is simply that we need to embrace Jesus and his ways. The bible tells that whoever believes in Jesus will do the works that he does and Jesus being in God and God in Jesus, we also have access to what God can do. We have access to the supernatural through Jesus Christ and we ought to believe in him and to trust his ways for he is the master key to the supernatural. By believing in him and embracing his ways, we are set apart to do great works which God prepared beforehand that we should walk in them (Ephesians 2:10). Furthermore, by embracing the supernatural, we also gain access to a lot of things that Jesus had access to.

We gain access to the source of all power. John 14:12 says, "Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father." The Father is the source of all power, and he is in Jesus. If we as Christians believe in him and his ways, we can also have access to the source of all power and do the works that Jesus did. This power can be accessed through prayer and supplication. Through prayer, our faith can be increased and we can also do the works that Jesus did when he was here on earth.

In Mark 9:23, Jesus said,

"Everything is possible for one who believes." If we believe, we can do even greater works than what Jesus did. No weapon fashioned against us will prosper when we have access to the power of the supernatural. It will be our armour and will shield us and protect us.

We also gain access to knowledge, understanding and wisdom. James 3:17, 'But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere.' If we desire wisdom from

Jesus is the way, the truth and the light of how we can access the supernatural and his

to promises that were made before we even were conceived. Any blessings that are in store for us, we can access them through prayer and having access to the supernatural. Isaiah 58:11, 'The Lord will guide you always; he will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail.' The favour of God will do that for us.

We will also have access to uncommon boldness and strength. Judges 14:6 talks about the strength that Samson had, where he tore apart a lion as if it was a young goat. This is the kind of strength and boldness that we have access to through the supernatural. When the spirit of the Lord comes upon us, we gain access to this boldness even in the face of situations that might be scary. The David kind of boldness when he stood before Goliath with a sling and stones without fear for he knew the Lord was on his side and he had access to the supernatural (1 Samuel 17). The kind of boldness that was upon Jesus, that even in the face of death, he still did great and mighty wonders and did not run away even though he knew his time had come. The spirit of the Lord will fill us up and we shall be as bold as a lion and we shall see what others cannot. Its only through prayer that we can access this kind of boldness and the supernatural. Let the weak say I am strong for we live in this world but we are not of this world for we have connected to the supernatural.

The supernatural is so much more than I can ever write or try to comprehend, but for me this is how I see the supernatural and the things that are possible through the supernatural. We can only access the powers and benefits of the supernatural through prayer and supplication and belief in Jesus Christ and all his ways.

above, we ought to have access to the supernatural. The type of wisdom that is not boastful but is pure and for good works. If we desire this kind of wisdom, understanding and knowledge, we out to set ourselves apart and not defile ourselves. Daniel set himself apart but not allowing himself to have his body defiled by eating the food that was dedicated to idols (Daniel 1:17). God compensated what he had lacked in food in wisdom, understanding and knowledge. Through prayer and being intentional in setting ourselves apart, we can have access to this wisdom, what extra and

and power that comes from above through the access to the supernatural.

We also gain access to uncommon favour through the supernatural. This favour of God is timeless and allows to access all the blessings and promises that have been released upon our lives. In Genesis 15:12-14 God made a promise to Abram on how his descendants would serve the Egyptians but would later come out of that

land with great substance. This promise was fulfilled hundreds of years later and the Israelites enjoyed the benefits of the promise that had been made years before. Favour grants us access even in this day

and the simple answer to the question is simply that we need to embrace Jesus's ways.
